

# RECOGNIZED LEADERS

## IN PATIENT AND PHYSICIAN SATISFACTION

Avista Adventist Hospital offers comprehensive medical and emergency care for the entire family, and is the leading provider of maternity services in the area.

Known for our devotion to whole person care and our tireless attention to creating a safe, compassionate and healing environment, Avista has been recognized for excellence by an impressive list of independent organizations who assess quality and patient satisfaction.

### **About Avista**

Avista Adventist Hospital is a full service, 114-bed acute-care hospital with a medical staff of more than 500 physicians. In addition to having the area's largest birthing center, the hospital is a leader in joint and spine care in Boulder County.

Avista is connected to Centura Health, Colorado's health care leader, and its integrated statewide network of 13 hospitals, seven senior living communities, medical clinics, affiliated partner hospitals, Flight For Life® Colorado, and home care and hospice services. Avista's and Centura Health's strength lies in their ability to deliver world-class care to people where and when they need it most. Together, they provide care that transcends the walls of a hospital and connections to top expertise and technology that only Centura Health can make.
